MISS BOND WINS

Popular Maysville Young Lady To Enjoy Trip to Cuba

For several weeks The Louisville Evening Post has been having a mammoth prize contest, in which popular people all over the State have been voted for, the awards being varied and all of a most desirable character.

Among the nominees in District B, of which Mason county was a part, was Miss Hattie May Bond of this city.

The contest closed Wednesday and the result has just been announced, and Miss Bond's friends are congratulating her on securing one of the trips to Cuba.

The official vote has not yet been announced but the Maysville Girl is classed safely among the winners.

Miss Hattie, who has won a notable victory in a very warm contest, wishes through THE LEDGER to extend her warmest and most appreciative thanks to all her friends and supporters who stuck nobly by her and thus enabled her to win. She is very grateful to each and all and regards gratitude as the finest flower in all the great bouquet of life.

How to Cure Liver Trouble

Keep Your Bowels Regular and Your Stomach Sweet

People sometimes imagine when they have liver trouble or are bilious that the main thing to do is to take physic. Taking pills and keeping your bowels regular are two very different matters. The use of a violent cathartic does not mean the cure of constipation or the establishment of regular movements. A physic is an emergency remedy, but never a bowel treatment. If the bowels do not move regularly there is no reason deeper seated than the mere clogging up that is removed by a dose of salts or pills.

When that drowsy, tired feeling, with the coated tongue, the dull head pains, the sour stomach, the sallow complexion, constipated bowels and a touch of fever come on it is time to take a medicine that will act on the bowels gently and mildly, cleansing and strengthening them, stir up the liver and aid the stomach in digesting the food.

Dr. Caldwell's Syrup Pepsin does this every time. Take a few doses and see how quickly the drowsy feeling leaves, regular bowel movements come back, with a good appetite and perfect digestion, and you soon feel like your old self. It does not gripe nor pain, it acts smoothly, mildly and is very pleasant to take. Wm. Hinchman, Mesick, Mich., says: "I was troubled with indigestion and liver trouble. I have used Dr. Caldwell's Syrup Pepsin with fine results. It is a perfect laxative and I now feel as strong and well as formerly." Wm. Block, Niantic, Ill., says: "Dr. Caldwell's Syrup Pepsin is the best remedy I ever used for liver complaint or constipation."

Mrs. R. H. Brown, Addington, Ind. Ter., was troubled with torpid liver and constipation. Dr. Caldwell's Syrup Pepsin gave her prompt relief. All druggists sell it at 50¢ and \$1.00 per bottle.

NEW ORCHESTRA

At Washington Theater Proving a Hit and Pleases the Patrons

A play without music in a theater is about the most apathetic bore imaginable, and while a single pianist does the best he can to amuse the people, yet the one-man orchestra never fills the bill or satisfies the audience.

THE LEDGER is glad to say that the Washington Theater now has a pretty good orchestra of five pieces, whose personnel is as follows:

T. Neal Hubbard, piano.
Frank Haucke, drums.
W. Arthur Munzing, cornet.
Kenneth Clark, clarinet.
Louis Schatzmann, violin.

Thursday evening at the performance of "Tempest and Sunshine" the new orchestra was "tried out," and pronounced o. k.

After the boys get their bearings and a little of the new has worn off, we don't care if the curtain never goes up, just so the music keeps a-going. Music, and plenty of it fills the bill.

It is never too late to do good. We know it's late, but we had the nerve to do it. Never in the history of Maysville has anything like this happened.

KENTUCKY DIVORCES

This State Considered a Star Performer in the Business

That the divorce mill has been busy in Kentucky is shown by a report of the Census Bureau, just made public, giving the results of a Nation-wide investigation of marriage and divorce for a twenty-year period, from 1887 to 1906, inclusive.

During that time 30,641 divorces were granted to Kentucky couples who were weary of the matrimonial yoke.

During the twenty years previous—from 1867 to 1886—only 10,248 divorces were granted in Kentucky, which shows that the divorce evil is on the increase.

The number of divorces granted in Kentucky per 100,000 of population is eighty-four.

High-Grade Butchering Drugs

The Pure Food and Drug Laws may prevent the adulteration of food products, but such laws do not guard you against inferior quality. Decidedly poor spices may clear the law. The way to guard against the poor kinds is to buy where high-grade goods only are sold. During the butchering season you'll need

Sage,
Black Pepper,
Cayenne, Etc.

Let us supply you. We have them strictly fresh and the best grades of each that the market affords. There's economy in their use because they are of extra strength as well as of finest flavor, and will cost you no more than inferior goods.

For Lame Back

An aching back is instantly relieved by an application of Sloan's Liniment.

This liniment takes the place of massage and is better than sticky plasters. It penetrates—without rubbing—through the skin and muscular tissue right to the bone, quickens the blood, relieves congestion, and gives permanent as well as temporary relief.

Sloan's Liniment

has no equal as a remedy for Rheumatism, Neuralgia, or any pain or stiffness in the muscles or joints.

Price 25c., 50c., and \$1.00.

WASHING WITHOUT WATER

Is Like Trying to Get Rid of Dandruff Without Herpicide.

Did you ever see any one trying to wash themselves without soap or water? If you did what would you say of him?

It is every bit as foolish to try to get rid of Dandruff and to prevent Baldness by feeding the germs which cause it, with Cantharides, Vaseline, Glycerine and similar substances which form the principal ingredients of most so-called Hair Growers.

Newbro's Herpicide is successful because it attacks and kills the parasitic germ which feeds on the hair roots.

It is the original and only genuine scalp germicide manufactured.

SUITS REVIVED

Bracken County Tobacco Troubles Again Brought Into Court

Two suits were filed in the United States Court in Covington Wednesday, in which W. S. Henderson of Covington is the plaintiff and Vachel Jordan, Ben Jordan, Samuel McKane and 14 others of Bracken county are the defendants. These suits were filed months ago, but when called for trial at the recent session of the Court at Covington were dismissed without prejudice after some of the testimony had been heard.

Henderson alleges in one suit that about December 4th, 1907, in Bracken county, the defendants assaulted him, and that by reason of threats he was compelled to abandon his home at Augusta and to take up his residence in Ohio. He asks, in this suit, for damages in the sum of \$10,000.

The defendants in the second suit are Benjamin Jordan, George Jett, John Jett and 14 others, and the allegations are to the effect that a conspiracy was formed to injure him and to destroy his business. He says that, in fear of a continuance of assaults, he abandoned his business and his residence in Kentucky because of the feeling of insecurity inspired thereby, and that he was unfitted for business. In this action he asks for damages in the sum of \$25,000.

The total number of fires in Kentucky in the last eleven months, reported to William F. Neikirk, State Fire Marshal, was 1,900. Night rider fires in Western Kentucky were the only arson cases of any magnitude.

NATURE TELLS YOU.

As Many a Maysville Reader Knows Too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney ills. Doan's Kidney Pills cure all kidney ills. John G. Morris, Jail Keeper, living on Main street, Flemingsburg, Ky., says:

"I can recommend Doan's Kidney Pills as being all that is claimed for them. Several months ago I was suffering severely from kidney disorders, and although I tried many remedies, I was unable to obtain relief. My kidneys were very weak and irregular in action, causing me much inconvenience and annoyance. I lost a great deal of sleep on this account. Finally Doan's Kidney Pills were recommended to me. I procured a box at J. J. Wood & Son's Drugstore and began using them. I was surprised at the quick results, as the trouble entirely disappeared and I have had no return of any of the symptoms since. I cannot speak too highly of Doan's Kidney Pills."

WHIRLWIND CAMPAIGN

The Fires of Education Are Burning On a Thousand Altars

The whirlwind campaign for education is in full blast and speeches have been made at Minerva, Dover, Orangeburg, Lewisburg and Mayslick. The people are manifesting considerable interest in the subject and the attendance has been very good, considering the inclement weather.

The speakers are Superintendent Chapman of the Paris City Schools, Prof. J. H. Jackson of Minerva and Luther C. Reynolds and Superintendent C. D. Wells of Maysville. These gentlemen will speak at Maysville this afternoon at 2:30 o'clock and at Sardis this evening at 7 o'clock and at the Courthouse at Maysville tomorrow (Sunday) at 2:30 and at Washington tomorrow evening at 7 o'clock.

We sincerely trust that everyone who can possibly do so will attend these meetings and do all they can to help along this most worthy cause.

A SOCIAL SUCCESS

Was the Enjoyable Features of the Union League Meeting Last Evening

The social meeting of the Union League of Christian Endeavors at the Central Presbyterian Church last evening was a very successful affair. Despite the bad weather a goodly number of our young folks attended and thoroughly enjoyed the social features of the evening. Most every one brought their pound, so that today the Committee on Charity has quite a nice lot of substantials to distribute to the city's worthy poor.

The manner in which Mr. James B. Wood, the new President of the Union, presided over this social meeting augurs well for the coming year of his official incumbency. From the time of the opening devotions till the close of the meeting he was ever about to see that all had a good time.

The features of the evening were a solo by little Miss Edith Snapp, which for a six-year-old girl was very fine. The reading of The Union News by its Editor, Miss Birdie Walsh, proved, as it did, that Miss Walsh is certainly an Editor of unquestioned ability. The numerous jokes on the young folks and the sparkling news and editorials were much enjoyed. The distribution of the prize packages created much merriment.

Not least among the enjoyable features were the delicious refreshments, consisting of hot chocolate and Nabiscoes right from Traxel's.

The Union and its President are deserving of much praise for the success of the occasion.

Miss Verda Kerr of Versailles has begun legal steps at Lexington to secure a legacy of \$50,000 bequeathed to her by a bachelor uncle, James Kerr, who died recently in Kansas City. Miss Kerr is the daughter of D. C. Kerr, who formerly resided in Brown county, Ohio.
